

Steering Committee Minutes 5-28-03

Those present in Walker Science 160 (beginning 10 am) included the following: Bill Deeds, Terri Curry, Ron Jorgensen, Mary Leida, Steve Nimmo, John Pinto, Tom Rice, Beth Sibenaller, and Shari Tramp.

Steve Nimmo chaired the meeting, following an agenda that was previously distributed by e-mail to Steering Committee members. Minutes of the May 14 meeting were approved.

1. Review of the chapter on Changes since 1994 (the last NCA visit). After a page-by-page discussion with several minor changes, the following considerations for future additions to the chapter were raised (should any be included?):

- Enrollment trends
- Fact Book information
- Performance charts (provided by Ron)
- Technology on our campus
- Changes in pedagogy in the classroom ...may be difficult to document
- Agenda from fall faculty workshops

2. Next week we will meet from 1 – 3 pm in Walker Science 160 (a change from the usual morning time) and focus on the chapter on Criterion 2 (Ron Jorgensen). The version of this chapter posted on Blackboard is the most recent version.

3. The meeting was adjourned EARLY!
